

Wind Energy Development Plan Open Houses

Hosted by
**The Municipality of the County of Cumberland
and the
Cumberland Regional Economic Development Association**

In association with Union of Nova Scotia Municipalities and the Nova Scotia Department of Energy, the Municipality of Cumberland has been identified as one of two Municipal units to conduct a study regarding the creation of a Wind Energy Development Plan.

All open houses will take place from 3:00 p.m. to 7:00 p.m. on the following dates:

5 Aug 2010 - Wallace at the Wallace Museum, 13440 Route 6
11 Aug 2010 - Port Greville at the-Age of Sail Museum, 8334 Hwy 209
12 Aug 2010 - Joggins at the Joggins Fossil Centre, 100 Main Street
18 Aug 2010 - Rodney at the Rodney Community Hall, 1073 Rodney Road
19 Aug 2010 - Upper Nappan at the Municipal Building 1395 Blair Lake Road

Open house sessions will provide the public with information about the importance of wind energy to meet the Province's energy needs as identified in the recently released Nova Scotia Energy Strategy.

Your input during the open house will guide the Municipality in the creation of a Wind Energy Development Plan which will assist the appropriate placement of wind energy projects both big and small.

Staff will be available during the open house and questionnaires will be distributed to assist with collecting your input. If you are unable to attend the open house session, questionnaires will be available at :
